

## Women's Giving Circle of Harford County December 2019 Newsletter

---

***Happy New Year!***

*We are greatly excited to welcome 2020 in just a few days! It's been 10 years since our 16 founding members first pooled their funds to create the Women's*

*Giving Circle of Harford County. Since then, we've remained true to our mission - engaging women of all generations in the power of community philanthropy.*

*2020 is going to be a great year. Look for the Grant Guidelines and Application Packet to be issued in early January and be sure to share it with your favorite nonprofits and encourage them to apply.*

*We're also starting to put together a committee for the 10th anniversary celebration later this year. If you are interested in joining this group, please let us know!*

*Cheers to the New Year!*

***It's Not Too Late!***

*We've had a fantastic response to the membership drive and the checks are still coming in! Because of the new payment options this year, we've extended the deadline. Join or renew by December 31st for your membership donation to be included in the pool of grant funds to be awarded in 2020 - our 10th anniversary year!*

### ***The Power of the Purse***

*CASA of Harford County, one of our 2019 grantees, held its first Breakfast with Santa on December 7, 2019 for its advocates, children, and families. There was an amazing response with more than 100 people there to enjoy a great breakfast, Santa, Star Wars characters, gifts, crafts, and much more.*

*Many thanks to CASA's dedicated staff pictured above and all the volunteers who made this a complete success. The Women's Giving Circle is proud to support the great work of CASA and many others in our community. This is the power of our collective giving!*
