Hello!

My name is Donna Kahoe and I am writing to you as the newly appointed Chair of the Membership and Outreach Committee of the Women's Giving Circle of Harford County (WGC).

I have been a member of the WGC since 2013 and have witnessed the amazing support the WGC provides to the needs of women and children of Harford County. I have had the privilege of serving on the Grants Committee, so I have enjoyed a front row seat learning of the many incredible organizations throughout Harford County that assist women and their families. For me, learning about these organizations and what they do has been amazing. WGC grants financial assistance to many of these organizations through its annual grants process.

**In 2020 the WGC awarded in excess of \$44,000 to 12 grantee organizations!**

I invite you to visit the WGC website ([www.harfordwomensgiving.org](http://www.harfordwomensgiving.org)) and learn about the WGC mission and the many amazing opportunities that we offer members to be a part of the power of collective giving. It is easy to join directly through the website <https://www.harfordwomensgiving.org/join/renew>; \$550 annually (\$250 for members under 35 years of age) of which \$50 is directed to the Administrative Fund and the remainder of our membership fee goes directly to our Grant Fund. This portion can also be paid through installment payments. A tax receipt is immediately issued when you join electronically.

Please join us in the engagement of women-powered community philanthropy!

***It is a joy to make a difference in the lives of women and their families in Harford County!***
