A Message from the Chair

I hope everyone was able to connect with family and friends over the holidays as well as get some well-deserved down time.

As we approach the New Year, I see a bright future ahead for the WGC. We have dramatically grown our membership over the past two years, thus expanding our impact on women, families, and children in Harford County. I am excited by the potential of the new board candidates who start their term in January. And we also have a number of talented board members who have decided to extend their service through the next board term. This includes me. I have decided to remain on as Chair so that we can identify and mentor a Vice Chair who will be ready for a seamless transition of leadership at the end of the next two years.

Keep your eyes out for a calendar invite in early January for our members-only General Membership meeting, where we will vote in the new executive board for the 2023-2025 term and provide a circle update.

I wish everyone a happy and healthy New Year!

Donna Kreis, Chair
