

## Women's Giving Circle of Harford County November 2019 Newsletter

### ***Happy Holidays!***

*According to Wikipedia, there are 65 winter holidays that are celebrated between Thanksgiving and the end of January! The U.S. winter holiday season, running from late November through early January, is when Americans take extra time to gather with family and friends — and express gratitude for life's abundance (Share America, 12/9/15).*

*We are most grateful for our members whose generosity makes our philanthropy possible and for our many grantees who work tirelessly to serve the women, children and families of Harford County.*

*Wishing you all the joy the season brings!*

*Celebrate this global day of giving by renewing you membership in the Women's Giving Circle. When you join or renew by December 15th, your membership donation will be included in the pool of grant funds to be awarded in 2020 - our 10th anniversary year!*
