

Women's Giving Circle of Harford County September 2019 Newsletter

Membership Drive - Fall in Love Again With the Women's Giving Circle!

As our ninth grant cycle officially draws to a close, the Women's Giving Circle turns its attention to our annual membership drive. To sustain our shared legacy of collective philanthropy, we invite you to renew your membership in the Women's Giving Circle to continue to support nonprofits serving women, children, and families in Harford County.

The renewal letter and invoice was emailed on September 29th to members who have not yet renewed. If you did not receive it, please click [here](#). Help is always available if you need assistance with navigating the new website or accessing the new online payment portals. Please send an email to wgcharfordmembership@gmail.com for assistance.

Thank you!

What's New? AKA What We Did This Summer!

Transfer to Growfund Completed

If you joined us at the General Membership meeting on September 26, you know the transfer of our grant and administrative funds to [Growfund](#) has been completed as planned. For more information, including fund balances, you can access the meeting presentation [here](#).

New Website

www.wgchco.wildapricot.org

Our new dedicated website is live but still under construction as we continue to add information about our history, events, grantees, and more. Our goal is to make the website a

useful resource for members, prospective members, grantees, and friends. Please take a look and send us your feedback. We appreciate your patience as we edit and refine the look!

New Mailing Address

Our new mailing address is P.O. Box 94, Bel Air, MD 21014.

Wild Apricot Membership Management Software

Thanks to a generous donation from a supporter, we were able to purchase a license for Wild Apricot membership management software. With automated membership tracking, we can better serve you and you have the option to create an account and monitor your membership.

An email with a link to register for the site will be sent shortly.

If you've noticed that recent email communications and our newsletter look a bit "snazzier" - this is why!
